

Country: Tonga
School : Tupou college
Student: Tevita Tolú – Form 3

My name is Tevita Tolu and I am a form 3 student in Tupou College. My school is the oldest school in Tonga and I think in the Pacific too. Next month we will celebrate our school's 150th anniversary. We are expecting a lot of people to come. Exstudents from all over the world will come, the King of Tonga and the Royal family will be here too. Yes, Tonga have a King name Tupou VI. Our crown prince attended our school Tupou College- it is an all boys boarding school. Tonga is also known as the Friendly Islands because of the people being friendly to visitors. Tonga is nice too with a tropical climate and beautiful beaches. We also have a strong cultural that is practiced here in Tupou College.
