Life in Zambia

Hi Luca,

My name is Tiaan. I am South African by nationality and I moved to Zambia when I was 10 years old. I have been living in Zambia for 4 years and it has been good because all the people here are friendly and kind. I am 14 years old and I go to Baobab College in Lusaka, the capital city of Zambia. Baobab is a British school with lots of different people with different religions and different cultures too. There are students here from Zambia, South Africa, Greece, China, Kenya, Germany, Italy, Zimbabwe, England, Scotland, Rwanda etc and there are teachers from Zambia, South Africa, England, Mauritius, Lebanon, India, Austria etc it's a very diverse school.

In Zambia, everyone like or loves playing football - I think its one of the best sports to play with your friends while at school and also outside of school. One day, if you come to Zambia I will take you to go look at the Victoria Falls (in Livingstone): it's one of the biggest waterfalls in the world. We could also go and fish in Lake Kariba in Siavonga - that's just two hours away from Lusaka, where I stay. One thing you should know about me is that I'm mad about sports: I love playing football, hockey and cricket. I also enjoy going to the movies with my friends. When I finish school I want to play cricket for England. It's my passion! Many of my friends and teacher say I'm very good at drama too (even Miss N'gandu, my Drama teacher and Mrs Alsop, my English teacher) – so may that could be a second career if being a professional cricketer does not work out. I love to watch football and I support Manchester United in the BBL and I hope you support Real Madrid in the LLG ?!!

All the best,

Tiaan Pieterse

Life in Zambia

Dear Lucas,

My name is Bruce Mpunga. I'm 14 years old and I live in Lusaka, Zambia. I am originally from Rwanda and my friends call me "Bruce Wayne", after the main character in US TV series "Gotham" .

I have been in Zambia for a whole year now and I don't like it that much (home is where my heart is) but the thing I like about Zambia is that the people here are very friendly. Another advantage of life in Zambia is that it is a very peaceful country, even though the climate is not that great (it's very cold in May/June). Brrrrrrr.....

During the weekends I like going to go to the mall and to the cinema. I also like to chill out at home and I spend a lot of time playing on my PS4 playing FIFA! Every boy's heaven, right?

If not playing on my PS4, I watch films on my laptop, listen to music or play football. I support Chelsea FC and I like Barcelona in La Liga. I'd love to see what Spain is like.

If you get to visit Zambia there will be a lot of cultural and touristic places for you to see – you will be busy! Perhaps we will get a chance to meet in the future.

Peace,

Bruce Mpunga
